BOU MENG: A SURVIVOR FROM KHMER ROUGE PRISON S-21, JUSTICE FOR THE FUTURE NOT JUST FOR THE VICTIMS BY HUY VANNAK PDF

This 80 page book tells the harrowing story of Bou Meng, a survivor from Toul Sleng, Khmer Rouge Prison S-21 in Cambodia. "It offers a glimpse through a keyhole into the dark interior of the Khmer Rouge, who were responsible for the deaths of as many as one-fourth of Cambodia's population from 1975-1979. Bou Meng was save, after weeks of torture, because he was an artist. He was taken from a row of shackled prisoners and put to work painting portraits of the Khmer Rouge leader, Pol Pot, and he continued, as other were tortured and killed, until the prison was hastily evacuated in the face of the Vietnamese invasion. Tuol Sleng has been converted into a Museum of Genocide, and its lower floors are filled with hundreds of portraits of victims, taken at the moment they arrived. Bou Meng visits from time to time and when he does he is surrounded by the images of ghosts. As he talks, standing in front of a panel of portraits, his face becomes one of them, stunned and questioning. 'They all died', he said. 'Among them only I am alive.' His survival, when almost every one of the prisoners died, seems still to be too much to comprehend. Bou Meng's story offers a rare and valuable glimpse into a world of savagery and into the life of a seemingly ordinary man who survived an extraordinary fate."

A Touching and Informative Book of the Atrocities of Khmer Rouge
By David Buffington

I purchased this book while visiting S-21 prison in Phnom Penh . Bou Meng was at the prison where he had been tortured years earlier, and selling his book. He seemed like a gentle and peaceful soul. I read his book the following day and it is a sad and touching account of the atrocities of Pol Pot. A very informative account of crimes against humanity.

I met Bou Meng at S21
By John Maki

I admit I have not read this book yet; but I will begin tonight. I had to finish reading [...] first. Bou Meng was outside S21 selling the book and I passed while leaving after having toured and photographed the entire

complex. To witness the horrific and senseless suffering of these gentle and smiling people, then meet this man and have him sign my book, was incredibly humbling. I felt great honor as they motioned me around the table to pose for a photograph with Bou Meng. And he smiles... You can see it in my eyes - I was blown away in more ways than one. I will add another review or edit this one after reading, I think I will finish it in a week or two at my slow pace.

A firsthand account of mans inhumanity, by one who survived

By Candace Drimmer

I too met Bou Meng, but with a group of Overseas Adventure Travel tourists. Purchasing the book, I read it and find it seems like an honest telling of the story of one man who went to the edge of death the Khmer Rouge created.
