CHRISTMAS THE WHOLE STORY OF THE GOD WHO LOVES BY NATASHA METZLER PDF

Share with your children the whole story of the God who loves! Do your children know that Christmas was a rescue mission so that people could be friends with God? Through this Advent storybook, you can introduce your little ones to the loving God, the Savior of mankind, and the meaning of His birth. Every day features a 1-minute, easy-to-read-aloud story, with colorful, fascinating artwork, and a friendly little bug to hunt and find somewhere on the page. The 25 engaging stories spanning the entire Bible will make sharing the true meaning of Christmas with your little ones a simple and fun task. This Advent experience has children eagerly anticipating each new day's story asking things like, "Is today the day? Is this the day that the man comes to beat the snake?" The final day when the story reveals that it's God Himself who comes, one little boy looked up with a grin and said, "Figured it would probably be Him. Since He loves us so much, I mean." The author tells how the book came to be. "One year I set up an Advent calendar of Christmas activities, and started looking for an Advent book to share with my little charges the greatest love story of all eternity. "Except, I couldn't find just the right one. There were lots of books that were beautiful and interesting and would have been amazing, except they were all missing some element that I desperately desired. -- I needed a book that started at the beginning, that told the story from the moment God existed and nothing else did. -- I needed a book that was short and to-the-point, because these rambunctious boys were not going to stay focused for more than a few minutes. -- I needed a book that told the whole story-- how Jesus was promised from the garden and everything we learn after that just pointed to Him. "So, what does any writer-of-a-woman do? I grabbed a composition notebook and pencil and a box of crayons, and made my own." Share with your little loved ones the Christmas story of the One who created Love itself.

We have read this several times over!

By J. White

Do your children know that Christmas was a rescue mission so that people could be friends with God? Through this Advent storybook, you can introduce your little ones to the loving God, the Savior of mankind, and the meaning of His birth. 25 engaging 1-minute stories, spanning the entire Bible, will make sharing the true meaning of Christmas with your little ones a simple and fun task, for even the most fidgety of kids.

With 5 kids 6 and under, I'm all about quick and engaging, but often the message is lost in brevity. Natasha and Brianna do a fantastic job of keeping the truths simple and the pictures colorful, with so much to look at

and hear, my kids were fascinated with each page and wanted to read the whole book in one sitting { we may have done just that quite a few times }. There's even a fun little bug for kids to search for on each page!

If you're looking for a beautifully illustrated book, that speaks of God's love and truth to little ones, that won't devolve into a session of telling kids to "sit still" and "pay attention"...this is the book for you!

A bigger look at the Christmas story - great for all ages!

By Ben and Rachel Zupke

I absolutely love this book. She was dead on when she said this was written for busy moms! Each day's story is just the right length to reflect the substance and richness of each part of the entire story of God sending Jesus for us but also short enough to hold my 3 year old's attention. I can't wait until she is older and we can expand each story by using the "learn more" section at the end of the book. I'm grateful Natasha took the time and care to put together a book that is beautiful, well written, and understandable by children and adults. I enjoy reading it as well and read it on my own first before reading it with my children, something I don't often do with things aimed at kids. It was a breath of fresh air into a story that I've seemingly heard hundreds of times...yet I loved having a fresh perspective and a bigger look at the entire story as God intended us to see Christmas as. Thanks for a great Christmas book!!!

Finding the little bugs was such a fun addition to each day's reading

By The Shires

This book exceeded my already high expectations. The simple stories speak to my own heart and interest my two year old at the same time! THE art is gorgeous and the words so filled with hope and joy--and the journey through the redemption story is exactly what I want to make the focus of our holidays. Finding the little bugs was such a fun addition to each day's reading. This book was definitely a winner in our house and one I am excited to share with family and friends.
