Great reading comprehension

By C. Liu

Four multiple choices for a short story and different focus on each week. My son who is advanced reader in his first grade used it for his reading comprehension daily. Rather than doing one a day, he does three stories each day that deepens his understanding. Compare to Kumon reading program, this is a good choice that you don't need to pay \$110 monthly.

Like Not Love

By shopwidurcoins

I like this reading comprehension, because it gives you tips on how to explain the concepts of critical thinking to kids. It also gives a wide variety of stories, to encourage thinking and the application of

knowledge. The answers are not straight word either, these require reading between the lines. ALL I THESE THINGS I LOVE But dang too much multiple choice. My son's school requires that the kids write complete sentences for comprehension. The awesome version of this includes 2 questions they have to answer by them selves. All in all good summer practice almost finished with it.
