In Give to Live, best-selling author Stan Toler inspires and equips Christians to live generously and to trust God with their finances and lives.

John Wesley said we should earn all we can, save all we can, and give all we can. This is great advice, but the reality for many Christians today is more like, "Earn all you can, can all you get and sit on the lid!"

Generosity does not come naturally for most of us, yet it is the first economic principle in God's kingdom. Time after time, God's Word instructs us to be gener-ous with what God gives us. This is how we honor God, impact others, and receive a blessing in the proc-ess.

This timely and practical book includes a full study guide with small-group discussion questions for each chapter.
