GREAT MILITARY LEADERS AND THEIR CAMPAIGNS FROM THAMES & HUDSON PDF

A profusely illustrated overview of the careers and campaigns of the world's greatest commanders

This authoritative and magnificently illustrated book examines the entire history of the war through the eyes of the leading protagonists, from Cyrus the Great in the sixth century BC to Vo Nguyen Giap in the twentieth century.

Truly worldwide in scope, the book ranges from China to India to Africa, and from Europe to the Americas, focusing in detail on more than one hundred major military leaders, their associates, and their opponents. All the great commanders are here: Alexander the Great, Hannibal, Julius Caesar, Saladin, Chingiz Khan, Napoleon, Wellington, Nelson, Ulysses S. Grant, Erich von Manstein, and Georgy Zhukov. So too are less familiar figures, such as Jan Žižka and János Hunyadi, bold Czech and Hungarian leaders of the Middle Ages; Toyotomi Hideyoshi, the "Napoleon of Japan"; and Nader Shah, the Persian conqueror of the eighteenth century.

The large format allows for a full display of the illustrations, from portraits and battlefield scenes to weapons and uniforms, plus spectacular battle reconstructions. There are specially commissioned campaign maps for each major leader, plus a reference section that includes concise biographies of 250 commanders.

Jeremy Black is professor of History at the University of Exeter and the author or editor of many books, including *The Cambridge Illustrated Atlas of Warfare* and *The Seventy Great Battles in History*.

Great Military Leaders and Their Campaigns

By R. Davis

This book is very interesting and informative, and contains very nice illustrations and diagrams of the various battles. It provides concise overviews of the commanders and battles, but if you're looking for indepth information you will want to purchase the volumes that have been written on each commanders and each battle/campaign. If you are interested in military history without the minutiae, this is the book for you, and I highly recommend it. The price was great, the delivery was quick, and it was delivered in excellent condition. Five stars!

3 of 3 people found the following review helpful.

Great Military Leaders and their Campaigns

By Sonja K. Gornitz

Awesome book with hundreds of interesting illustrations, such as maps, photos and drawings, in colour. A visual joy, fun to discover details and to learn more about military history from this well structured, heavy book. I bought it for a friend and he is impressed. I often keep taking a look myself. It's on his coffee table.
