**Happily Ali After: An Other Fairly True Tales By Ali Wentworth.** In undertaking this life, many individuals consistently attempt to do and also obtain the very best. New knowledge, encounter, session, and also everything that can improve the life will certainly be done. Nevertheless, several individuals sometimes really feel perplexed to obtain those points. Feeling the restricted of encounter and sources to be far better is one of the lacks to possess. Nonetheless, there is a quite basic thing that can be done. This is exactly what your teacher constantly manoeuvres you to do this. Yeah, reading is the solution. Checking out a book as this Happily Ali After: An Other Fairly True Tales By Ali Wentworth as well as various other recommendations can enrich your life top quality. How can it be?

## Review

"Irresistible.... She is sharply observant and incisively funny.... Readers who like Nora Ephron and Laurie Notaro won't want to miss Wentworth. Reading this book is like sitting with a best girlfriend—how fitting it is that Wentworth dedicated it to all of hers." --Library Journal

"Wentworth is funny. She gracefully and elegantly bares embarrassing stories from her past and hilariously conveys the challenges of her marriage ... and of raising their two children..... With wit, the author may inspire others like to simply enjoy the moment and not let themselves get in the way." --Kirkus

## From the Back Cover

The actress, comedian, and New York Times bestselling author picks up where she left off in *Ali in Wonderland*, dissecting modern life—and this time, she's on a mission of self-improvement—in a series of laugh-out-loud comic vignettes.

Moved by a particularly inspirational tweet one day, Ali Wentworth resolves to live by the pithy maxims she discovers in her feeds. What begins as a sort of self-help project quickly turns into something far grander—and increasingly funnier—as the tweets she once viewed with irony become filled with growing metaphysical importance. And thus begins her "Unhappiness Project."

It's not all that long before Ali expands her self-improvement quest to include parenting, relationships, fitness (or lack thereof), and dieting advice. The results are painfully (at times literally) clear: when it comes to self-help, sometimes you should leave it to the professionals.

At once endearing and hilarious, thoughtful and far-fetched, *Happily Ali After* is a thoroughly entertaining collection from "the girlfriend you want to have a glass of wine with, the one who makes you laugh because she sees the funny and the absurd in everything" (Huffington Post).

#### About the Author

Ali Wentworth is the author of the New York Times bestseller *Ali in Wonderland*. She made a name for herself on the comedy show *In Living Color* and has appeared on such television shows as *The Tonight Show with Jay Leno*, *Seinfeld*, *Head Case*, and *The Oprah Winfrey Show*, for which she was a correspondent. Her film credits include *Jerry Maguire*, *The Real Blonde*, *Office Space*, and *It's Complicated*. A native of Washington, D.C., she lives in New York City with her husband, George Stephanopoulos, and their two girls.

Vagina monologues of Ali Wentworth

By Rama Rao

Ali Wentworth is a gorgeous woman, great comedienne and an excellent writer. This memoir is written in an entertaining prose rather than a traditional biography. In this collection of essays, she writes about relationships, friendships, inspiration, marriage, parenting, and wellness. She muses on the hard lessons learned in her career as a television performer, a wife and a mother in her 50 years of life! After all life experiences comes in fifty shades of grey.

Some of the interesting stories in this book are; when she was living in Los Angeles with her friend named Daphne, she experiences jealousy with her friend. She finds that her circle of friends were encased in sexual ambiguity and insecurity in life. In another episode, when she was on an erotic adventure with her boyfriend named Leo to Hawaii, he takes a book to read during the trip and her dream of a romantic weekend comes to an abrupt end when he leaves her in the hotel. While shooting for video project in her swanky apartment in New York, when a cameraman named Hugh stinks up her apartment with a bowel blast in the restroom; she comes up with several schemes to circumvent that problem but to no avail.

This book is full of witty zingers and some juicy stories. With twist of words and phrases, she narrates her life story in a highly entertaining style and keeps the reader engaged to the very last page. Despite all the rowdiness, Ali Wentworth's erudition pokes fun of life. She sounds psychotic, but she is also a lady who is proud of intimate disclosures sharing with her readers.

I like watching Ali Wentworth whenever she is on tv

By Lauren

I like watching Ali Wentworth whenever she is on tv. However, to my disappointment I found her book SO bloody boring! We are the same age, so I thought it would be a fun light read while on vacation. While she does have a cute sense of humor the stories were SO dull... and I felt like the Kendal Jenner story was contrived! I all honesty I couldn't finish the book... it wasn't even worth skimming! Sorry Alie... you are still adorable, but your book just isn't:(

A chuckler!

By Brigitta Buchholz

Written with wit and grace. Recommended reading for premenopausal. Especially enjoyable if you know that her husband is George Stephanopoulos.
