HEAVEN'S PRAISE:: HEARING GOD SAY, "WELL DONE." BY DWAYNE MOORE PDF

The Bible states that we should praise God for how wonderful and majestic he is. And we should. But is it possible that the God of the Universe desires to praise us? Could our awesome Creator actually want to praise his creation?

During this six-week small-group Bible study, you'll explore Jesus' parable of the three servants in Matthew 25, and discover how to live a well-invested life on this earth—one worthy of "heaven's praise." As we learn to carefully and humbly follow Jesus' teachings, God will respond with the praise he desires to give us. With God's help and grace, we'll honor and serve our Lord all the days and hours we have left on this earth, so that we can one day hear God say, "Well done!"

So put your eyes toward heaven, and take the next steps toward getting there! If you used Pure Praise as a Bible study for your small group or worship team, Heaven's Praise is a must!

A Must Read study for every worship leader.

By George S. Stack

Dwayne Moore, author of Pure Praise, has written another great resource for Worship Leaders, Pastors, Praise Teams, Choir Members and any Christian serious about worship. This book, like Pure Praise, is not written to be read through in a hurry. It is designed to be used as either an individual or group study spread out over a six week time period. The book is broken down into six weekly sections with five daily studies per section. While Pure Praise helped show us how we are to best praise God, Heaven's Praise develops the theme of God's response to our lifetime of praise. The book is an inspiration to study and will change the way the reader pursues a lifetime of worship.

Serious Bible study for Serious Believers

By /tom Kline

Heaven's Praise is the second of author Dwayne Moore's Bible Study books, coming after his well-received study book, Pure Praise.

While Pure Praise was aimed toward those in worship leadership, Heaven's Praise is meant for any believer who desires to one day hear God say, "Well done, good and faithful servant."

Built around the passage in Matthew 25:14-30, generally called "the Parable of the Talents," this six week study explores how we get from where we are, to becoming a person who will hear those words of blessing at heaven's gate. Each day's lesson builds upon the previous lesson, and includes space to respond to the lesson with a daily response and daily meditation.

We were taught to Think Right, Aim Right, Act Right, Stay Right, End Right, and Win Right. And all along the way were hundreds of scripture passages and insightful quotes from many sources, skillfully woven together by Dwayne's God-given wisdom and easy-to-follow writing style.

I highly recommend Heaven's Praise for anyone who cares enough about their walk with God to realize that there is room for improvement. If you have "arrived," this book isn't for you, but if you struggle with consistently being who God intends for you to be, and need some solid, scriptural help to get out of your rut and into obedience, then this study is what you need.

A must-have for serious Bible students

By Smh

Having completed numerous Bible studies in the past, I found Heaven's Praise to be one of the best. I think this study stands out because:

- * the conversational style of writing kept me engaged
- * the questions at the end of each day challenged me to take immediate action
- * the author provided Biblical truths that are revelant to everyday life

I highly reccomend this book to be used by an individual as well as for a group study. I will definitely purchase another book by this author.
