Apologetic and endless quotes. No analysis

By Oscar Becerra

The book has good onsights on Slim's life and businesses. However it lacks of analysis and reflection. To be an unauthorized biography it looks very apologetic. Also, a few chapters are endless quotations from Slim's public company documents and principles.

Un libro 100% recomendado para todo empresario y emprendedor

By David Navarro

Este libro te hace conocer aspectos de Carlos Slim que no esperarías, como practicar la austeridad y alejarse de la opulencia, la importancia de los valores familiares por encima del dinero, la educación financiera que recibió y aprendió de su padre. Su actitud ante la vida y cómo el lograr estar al tanto de todos los detalles de sus empresas.

Conocer los libros que el hombre más rico del mundo recomienda y aprender de su visión empresarial.

Una lectura 100% recomendable para todo empresario, emprendedor y curioso que desea averiguar cómo es posible que el hombre más rico del mundo sea mexicano (aunque de ascendencia libanesa, enamorado de México) y expanda su imperio económico desde un país lleno de desigualdades sociales y económicas.

Algo muy interesante: conocer su lado humano y sencillez.
