Paul Harvey's the rest of the story

By John F. Sauer

I have grown up listening to Paul Harvey, all the way back to the summer of 1972. I worked on a Sod Farm, and my boss, Rusty told all of us workers to "Shut up while Paul Harvey is on" (while we ate our lunch).

He was on 560 KLZ radio then. He moved over to 850 KOA in the late 70's

and remained there until he died this February, 2009.

When you listen to someone EVERYDAY for 37 years, you feel as if you know them like a friend.

After receiving this book from my son (for my 58th birthday present),

I am now sure that I will purchase the other Paul Harvey books.
