Sometimes the only solution is the seductive one...

As a nymph, Scotty needs some level of intimacy to survive. Watching two of his closest friends thrive in a true bond made him realize he would never be free of his mate's hold. He has sworn off women, letting himself fade away.

Toryn would do anything to save Scotty. The solution involves Isadora and he doesn't know how to ask. Even if they do restore his health, it's only a temporary solution.

Isadora knows something is wrong with Scotty. With some digging she finds a solution, one she won't attempt alone.

What are friends for?

By WB

I received an ARC of this book in exchange for an honest review.

This novella is an other installment in the Others of Seattle series by Brandy Rivers. Scotty has lived the past century tortured by his mate bond with the evil Saressa, hating her but unable to contain the lust his body feels at the mere thought of her. When his best friend Toryn finally finds happiness with Isa, Scotty makes a decision. Knowing he will never find a true bond while bonded to Saressa, he decides to stop seeking the meaningless sex that keeps his body alive but kills his soul. He decides to fade away. Toryn and Isa see his decline and refuse to let him go. Being Fae means that sex is a way to recharge their bodies and souls, so it shouldn't be a shock when Isa realizes the only way to help Scotty is to indulge in a long held fantasy. Knowing she can sever the connection to Saressa that has tormented Scotty and free him to find his true bind mate is only part of the solution though. The other is to convince both Toryn and Scotty to agree to accept the help only Isa can give.

Brandy crushed it once again. She gives us more of Toryn and Isa's story, which is always a treat, and expands Scotty's to more than just the friend of a main character. Be prepared because she also give us some scorching, I mean melt the ice in your glass, need to take a cold shower, sex scenes between Toryn, Isa and yes, Scotty. I love how she always weaves in characters from other books in her series making the world well rounded and oh so inviting.

This is one out of the box solution!

By Theresa Esterline

Wow! A extra hot quick read to get us ready for the next full length novel ;) Most of the characters we've met before. And now a bit about the story...

Scotty is a nymph, but he was tricked into a bond over a hundred years ago. His love and hate relationship with his "mate" has him so depressed he is about to give up. Both Isa and Toryn have an idea, but are worried about asking the other, but they have to get creative to save Scotty...

Favorite passage: "This means everything to me." "No, that's Isa's role, as your mate should be."

a sexy story

By Jedi Christy

I received a free copy of this book to read and review for Wicked Reads

Shorts stories are a mixed bag for me, I enjoy them because they give great filler information in the series, but how to express what you enjoyed to others without spoilers? So let do my best to explain why this book is a MUST READ, if you follow Ms. Rivers and her Others series. From the onset of the Toryn and his love I have longed to find out more of the evil yet little know about Saressa. Well this book delivers that history with a BANG, leaving me to question if the former Air King is really the vilest of them all. This book as gives us a glimpse into the strong mate bond between Toryn and Isa. To see what this two would give and risk to help out a friend, well let's just say I have a new level of friendship goals LOL. Now don't misunderstand there is PLENTY of hot and steamy scenes with River's flare for WOW! But I feel that this story is foundational to what is to come in the series, I could be wrong but it my gut! Thank Rivers for another amazing story!
