TRAGEDY AT DEVILS HOLLOW: AND OTHER KENTUCKY GHOST STORIES BY MICHAEL PAUL HENSON PDF

This is the first book of Kentucky ghost stories by acclaimed author Michael Paul Henson. He tells the bewildering tale of the tragedy at Devil's Hollow in Kentucky. Henson has added a selection of other ghost stories and unexplained phenomena. The narratives contained in this volume are relatively unknown for two principal reasons—first, no one has previously taken the time to collect and compile them; second, these are stories generally limited to certain localities and have seldom been told outside the area of occurrence. While many stories may have been transmuted through the years of telling, the essence remains the same and the fascination and intrigue provoked by these tales of wonderment has not been diminished.

Excellent!

By K. Napier

I love this compilation of Ghost Stories/Unexplained from around Kentucky. It really makes me want to get out and explore the areas around me now. It broke my heart to hear that Mr. Henson passed away in 96 (found out in "More Kentucky Ghosts"...another excellent read). When reading his first book I kept thinking that he lived in Kentucky with me and that I'd like to meet him someday. Now I see that won't be happening.....well maybe.....you never know!
